

PART TWO: Trade in Goods

Chapter III: National Treatment and Market Access of Goods

Article III.1 Scope and Coverage

This Chapter applies to trade in goods of a Party, including goods covered by Annex III.1 (Textile and Apparel Goods), except as provided in such Annex.

Section I - National Treatment

Article III.2 National Treatment

1. Each Party shall accord national treatment to the goods of the other Party in accordance with Article III of the GATT 1994, including its interpretative notes, and to this end Article III of the GATT 1994 and its interpretative notes, or any equivalent provision of a successor agreement to which both Parties are party, are incorporated into and made part of this Agreement.
2. The provisions of paragraph 1 regarding national treatment shall mean, with respect to a province, treatment no less favourable than the most favourable treatment accorded by such province to any like, directly competitive or substitutable goods, as the case may be, of the Party of which it forms a part.¹
3. Paragraphs 1 and 2 do not apply to the measures set out in Annex III.2 (Exceptions to Articles III.2 and III.7).

Section II - Tariffs

Article III.3 Tariff Elimination²

1. Except as otherwise provided in this Agreement, neither Party may increase any existing customs duty, or adopt any customs duty, on a good.³
2. Except as otherwise provided in this Agreement, each Party shall progressively eliminate its customs duties on goods in accordance with its Schedule to Annex III.3.1 (Tariff Elimination)⁴ and Annex III.3.2 (Special Safeguards).
3. During the tariff elimination process, the Parties agree to apply to originating goods traded between them, the lesser of the customs duties resulting from a comparison between the rate established in accordance with the Tariff Elimination Schedule, and the existing rate pursuant to Article II of GATT 1994.
4. On the request of a Party, the Parties shall consult to consider accelerating the elimination of customs duties set out in their Schedules or incorporating into one Party's Tariff Elimination Schedule goods that are not subject to the elimination schedule. An

agreement between the Parties to accelerate the elimination of a customs duty on a good or to include a good in the Tariff Elimination Schedule shall supersede any duty rate or staging category determined pursuant to their Schedules for such good when approved by each such Party in accordance with its applicable legal procedures.

5. Except as otherwise provided in this Agreement, either Party may adopt or maintain import measures to allocate in-quota imports made pursuant to a tariff rate quota set out in Annex III.3.1 (Tariff Elimination), provided that such measures do not have trade restrictive effects on imports additional to those caused by the imposition of the tariff rate quota.

6. On written request of either Party, a Party applying or intending to apply measures pursuant to paragraph 5 shall consult to review the administration of those measures.

Article III.4 Temporary Admission of Goods

1. Each Party shall grant duty-free temporary admission for:

(a) professional equipment necessary for carrying out the business activity, trade or profession of a business person who qualifies for temporary entry pursuant to Chapter X (Temporary Entry);

(b) equipment for the press or for sound or television broadcasting and cinematographic equipment;

(c) goods imported for sports purposes and goods intended for display or demonstration; and

(d) commercial samples and advertising films;

imported from the territory of the other Party, regardless of their origin and regardless of whether like, directly competitive or substitutable goods are available in the territory of the Party.

2. Except as otherwise provided in this Agreement, neither Party may condition the duty-free temporary admission of a good referred to in paragraph 1(a), (b) or (c), other than to require that such good:

(a) be imported by a national or resident of the other Party who seeks temporary entry;

(b) be used solely by or under the personal supervision of such person in the exercise of the business activity, trade or profession of that person;

(c) not be sold or leased while in its territory;

(d) be accompanied by a bond in an amount no greater than 110 per cent of the charges that would otherwise be owed on entry or final importation, or by another form of security, releasable on exportation of the good, except that a bond for customs duties shall not be required for an originating good;⁵

(e) be capable of identification when exported;

(f) be exported on the departure of that person or within such other period of time as is reasonably related to the purpose of the temporary admission; and

(g) be imported in no greater quantity than is reasonable for its intended use.

3. Except as otherwise provided in this Agreement, neither Party may condition the duty-free temporary admission of a good referred to in paragraph 1(d), other than to require that such good:

- (a) be imported solely for the solicitation of orders for goods, or services provided from the territory, of the other Party or a non-Party;
- (b) not be sold, leased or put to any use other than exhibition or demonstration while in its territory;
- (c) be capable of identification when exported;
- (d) be exported within such period as is reasonably related to the purpose of the temporary admission; and
- (e) be imported in no greater quantity than is reasonable for its intended use.

4. Where a good is temporarily admitted duty-free under paragraph 1 and any condition the Party imposes under paragraph 2 and 3 has not been fulfilled, a Party may impose:

- (a) the customs duty and any other charge that would be owed on entry or final importation of the good; and
- (b) any applicable criminal, civil or administrative penalties that the circumstances may warrant.

5. Neither Party:

- (a) shall prevent a vehicle or container used in international traffic that enters its territory from the territory of the other Party to exit its territory on any route that is reasonably related to the economic and prompt departure of such vehicle or container;
- (b) may require any bond or impose any penalty or charge solely by reason of any difference between the port of entry and the port of departure of a vehicle or container;
- (c) may condition the release of any obligation, including any bond, that it imposes in respect of the entry of a vehicle or container into its territory on its exit through any particular port of departure; and
- (d) may require that the vehicle or carrier bringing a container from the territory of the other Party into its territory be the same vehicle or carrier that takes such container to the territory of the other Party.

6. For purposes of paragraph 5, "vehicle" means a truck, a truck tractor, tractor, trailer unit or trailer, a locomotive, or a railway car or other railroad equipment.

Article III.5 Duty-Free Entry of Certain Commercial Samples and Printed Advertising Materials

Each Party shall grant duty-free entry to commercial samples of negligible value, and to printed advertising materials, imported from the territory of the other Party, regardless of their origin, but may require that:

- (a) such samples be imported solely for the solicitation of orders for goods, or services provided from the territory, of the other Party or a non-Party; or
- (b) such advertising materials be imported in packets that each contain no more than one copy of each such material and that neither such materials nor packets form part of a larger consignment.

Article III.6 Goods Re-Entered after Repair or Alteration

1. Neither Party may apply a customs duty to a good, regardless of its origin, that re-enters its territory after that good has been exported from its territory to the territory of the other Party for repair or alteration, regardless of whether such repair or alteration could be performed in its territory.⁶
2. Neither Party may apply a customs duty to a good, regardless of its origin, imported temporarily from the territory of the other Party for repair or alteration.

Section III - Non-Tariff Measures

Article III.7 Import and Export Restrictions

1. Except as otherwise provided in this Agreement, neither Party may adopt or maintain any prohibition or restriction on the importation of any good of the other Party or on the exportation or sale for export of any good destined for the territory of the other Party, except in accordance with Article XI of the GATT 1994, including its interpretative notes, and to this end Article XI of the GATT 1994 and its interpretative notes, or any equivalent provision of a successor agreement to which both Parties are party, are incorporated into and made a part of this Agreement.
2. The Parties understand that the GATT 1994 rights and obligations incorporated by paragraph 1 prohibit, in any circumstances in which any other form of restriction is prohibited, export price requirements and, except as permitted in enforcement of countervailing and antidumping orders and undertakings, import price requirements.
3. In the event that a Party adopts or maintains a prohibition or restriction on the importation from or exportation to a non-Party of a good, nothing in this Agreement shall be construed to prevent the Party from:
 - (a) limiting or prohibiting the importation from the territory of the other Party of such good of that non-Party; or
 - (b) requiring as a condition of export of such good of the Party to the territory of the other Party, that the good not be re-exported to the non-Party, directly or indirectly, without being consumed in the territory of the other Party.
4. In the event that a Party adopts or maintains a prohibition or restriction on the importation of a good from a non-Party, the Parties, on request of the other Party, shall consult with a view to avoiding undue interference with or distortion of pricing, marketing and distribution arrangements in the other Party.
5. Paragraphs 1 through 4 shall not apply to the measures set out in Annex III.2 (Exceptions to Articles III.2 and III.7).

Article III.8 Wine and Distilled Spirits

1. Neither Party may adopt or maintain any measure requiring that distilled spirits imported from the territory of the other Party for bottling be blended with any distilled spirits of the Party.

2. Annex III.8 (Wine and Distilled Spirits) applies to other measures relating to wine and distilled spirits.

Article III.9 Geographical Indications

The Parties shall protect the geographical indications for their products according to their rights and obligations set out in the *Agreement on Trade Related Intellectual Property Rights*, Annex 1C of the WTO Agreement, and any successor agreement to which both Parties are party.

Article III.10 Export Taxes

Subject to the provisions in Annex III.10 (Export Taxes), neither Party may adopt or maintain any duty, tax or other charge on the export of any good to the territory of the other Party, unless such duty, tax or charge is adopted or maintained on any such good when destined for domestic consumption.

Article III.11 Other Export Measures

1. Except as set out in Annex III.2 (Exceptions to Articles III.2 and III.7), a Party may adopt or maintain a restriction otherwise justified under Articles XI.2 (a) or XX (g), (i) or (j) of the GATT 1994 with respect to the export of a good of the Party to the territory of the other Party, only if:

(a) the restriction does not reduce the proportion of the total export shipments of the specific good made available to the other Party relative to the total supply of that good of the Party maintaining the restriction as compared to the proportion prevailing in the most recent 36-month period for which data are available prior to the imposition of the measure, or in such other representative period on which the Parties may agree;

(b) the Party does not impose a higher price for exports of a good to the other Party than the price charged for such good when consumed domestically, by means of any measure, such as licenses, fees, taxation and minimum price requirements. The foregoing provision does not apply to a higher price that may result from a measure taken pursuant to subparagraph (a) that only restricts the volume of exports; and

(c) the restriction does not require the disruption of normal channels of supply to the other Party or normal proportions among specific goods or categories of goods supplied to the other Party.

2. The Parties shall cooperate in the maintenance and development of effective controls on the export of each other's goods to a non-Party in implementing this Article.

Article III.12 Export Subsidies on Agricultural Goods

1. The Parties share the objective of the multilateral elimination of export subsidies for agricultural goods and shall cooperate in an effort to achieve such an agreement.
2. Notwithstanding any other provisions of this Agreement, the Parties agree to eliminate, as of the date of entry into force of this Agreement, any form of export subsidy for agricultural goods destined for the other Party, and to prevent the reintroduction of such subsidies in any form.

Article III.13 Domestic Support for Agricultural Goods

1. The Parties recognize that domestic support measures can be of crucial importance to their agricultural sectors but may also have distorting effects on the production and trade of agricultural goods.
2. The Parties agree to cooperate in the WTO negotiations on agriculture to achieve:
 - (a) the maximum possible reduction or elimination of production and trade-distorting domestic support, including support under “production limiting” or “blue box” programs;
 - (b) an overall limit on the amount of domestic support of all types (“green”, “blue” and “amber”);
 - (c) a review of the criteria for the “green box” category to ensure that “green” support does not distort production and trade; and
 - (d) agreement that “green box” support should not be countervailable.
3. Pending the elimination of trade-distorting domestic support measures, if either Party maintains such a measure which the other Party considers to be distortive of bilateral trade under this Agreement, the Party applying the measure shall, at the request of the other Party, consult with a view to making a best efforts endeavour to avoid nullification or impairment of concessions granted under this Agreement.

Section IV - Consultations

Article III.14 Consultations and Committee on Trade in Goods and Rules of Origin

1. The Parties hereby establish a Committee on Trade in Goods and Rules of Origin, comprising representatives of each Party.
2. The Committee shall meet periodically, and at any other time on the request of either Party or the Commission, to ensure the effective implementation and administration of this Chapter, Chapter IV (Rules of Origin), Chapter V (Customs Procedures), Chapter VI (Emergency Action), Chapter IX (Trade Facilitation and Additional Provisions) and any Uniform Regulations. In this regard, the Committee shall:
 - (a) monitor the implementation and administration by the Parties of this Chapter, Chapter IV (Rules of Origin), Chapter V (Customs Procedures), Chapter VI (Emergency Action),

Chapter IX (Trade Facilitation and Additional Provisions) and any Uniform Regulations to ensure their uniform interpretation;

(b) at the request of either party, review any proposed modification of or addition to this Chapter, Chapter IV (Rules of Origin), Chapter V (Customs Procedures), Chapter VI (Emergency Action), Chapter IX (Trade Facilitation and Additional Provisions) or any Uniform Regulations;

(c) recommend to the Commission any modification of or addition to this Chapter, Chapter IV (Rules of Origin), Chapter V (Customs Procedures), Chapter VI (Emergency Action), Chapter IX (Trade Facilitation and Additional Provisions) or any Uniform Regulations and to any other provision of this Agreement as may be required to conform with any change to the Harmonized System; and

(d) consider any other matter relating to the implementation and administration by the Parties of this Chapter, Chapter IV (Rules of Origin), Chapter V (Customs Procedures), Chapter VI (Emergency Action), Chapter IX (Trade Facilitation and Additional Provisions) and any Uniform Regulations referred to it by:

(i) a Party;

(ii) the Customs Sub-Committee established under Article V.13 (The Customs Sub-Committee); or

(iii) the Sub-Committee on Agriculture established under paragraph 4.

3. If the Committee fails to resolve a matter referred to it pursuant to paragraph 2 (b) or (d) within 30 days of such referral, either Party may request a meeting of the Commission under Article XIII.1 (The Free Trade Commission).

4. The Parties hereby establish a Sub-Committee on Agriculture that shall:

(a) provide a forum for the Parties to consult on issues relating to market access for agricultural goods;

(b) monitor the implementation and administration of this Chapter, Chapter IV (Rules of Origin), Chapter VI (Emergency Action), Chapter IX (Trade Facilitation and Additional Provisions) and any Uniform Regulations as they affect agricultural goods;

(c) meet periodically or whenever so requested by either Party;

(d) refer to the Committee any matter under sub-paragraph (b) on which it has been unable to reach agreement;

(e) submit to the Committee for its consideration any agreement reached under this paragraph;

(f) report to the Committee; and

(g) follow-up and promote cooperation in matters relating to agricultural goods.

5. Each Party shall to the greatest extent practicable, take all necessary measures to implement any modification of or addition to this Chapter, Chapter IV (Rules of Origin), Chapter V (Customs Procedures), Chapter VI (Emergency Action), Chapter IX (Trade Facilitation and Additional Provisions) and any Uniform Regulations within 180 days of the date on which the Commission agrees on the modification or addition.

6. The Parties shall convene on the request of either Party a meeting of their officials responsible for customs, immigration, inspection of food and agricultural products, border inspection facilities, and regulation of transportation for the purpose of addressing issues related to movement of goods through the Parties' ports of entry.

7. Nothing in this Chapter shall be construed to prevent a Party from issuing a determination of origin or an advance ruling relating to a matter under consideration by the Committee or from taking such other action as it considers necessary, pending a resolution of the matter under this Agreement.

Article III.15 Customs Valuation Agreement

The Customs Valuation Agreement and any successor Agreement shall govern the customs valuation rules applied by the Parties to their reciprocal trade. The Parties agree that they will not make use in their reciprocal trade of the options and reservations permitted under Article 20 and paragraphs 2, 3 and 4 of Annex III of the Customs Valuation Agreement.

Annex III.1

Textile and Apparel Goods

Section 1: Scope and Coverage¹

1. This Annex applies to the textile and apparel goods set out in Appendix III.1.1.1.
2. In the event of any inconsistency between this Agreement and the WTO Agreement on Textiles and Clothing (ATC) or any other existing or future agreement applicable to trade in textile or apparel goods, this Agreement shall prevail to the extent of the inconsistency, unless the Parties agree otherwise.

Section 2: Duty-free Treatment of Certain Goods

The Parties may identify at any time particular textile and apparel goods that they mutually agree fall within:

- (a) hand-loomed fabrics of a cottage industry;
- (b) hand-made cottage industry goods made of such hand-loomed fabrics; or
- (c) traditional folklore handicraft goods.

The importing Party shall grant duty-free treatment to goods so identified, if certified by the competent authority of the exporting Party.

Section 3: Elimination of Existing Quantitative Restrictions

Canada will eliminate, at the entry into force of this agreement, the existing restriction of Costa Rican exports on underwear adopted under the rules of the Multi-Fibre Arrangement and lately notified to the WTO, under the rules of the ATC.

Section 4: Bilateral Emergency Actions (Tariff Actions)²

1. Subject to paragraphs 2 through 5 and during the transition period only, if, as a result of the reduction or elimination of a duty provided for in this Agreement, a textile or apparel good originating in the territory of a Party, or a good that has been integrated into the WTO and entered under a tariff preference level set out in Appendix 6.1, is being imported into the territory of the other Party in such increased quantities, in absolute terms or relative to the domestic market for that good, and under such conditions as to cause serious damage, or actual threat thereof, to a domestic industry producing a like or directly competitive good, the importing Party may, to the minimum extent necessary to remedy the damage or actual threat thereof:

- (a) suspend the further reduction of any rate of duty provided for under this Agreement on the good; or
- (b) increase the rate of duty on the good to a level not to exceed the lesser of:
 - (i) the most-favoured-nation (MFN) applied rate of duty in effect at the time the action is taken; and
 - (ii) the MFN applied rate of duty in effect on the day immediately preceding the date of entry into force of this Agreement.

2. In determining serious damage, or actual threat thereof, the Party:

- (a) shall examine the effect of increased quantities of those imports on the state of the particular industry, as reflected in changes in such relevant economic variables as output, productivity, utilization of capacity, inventories, market share, exports, wages, employment, domestic prices, profits and investment, none of which, either alone or combined with other factors is necessarily decisive; and
- (b) shall not consider changes in technology or consumer preference as factors supporting a determination of serious damage or actual threat thereof.

3. A Party shall deliver without delay to the other Party written notice of its intent to take such action, and on request shall enter into consultations with that Party.

4. The following conditions and limitations apply to any emergency action taken under this Section:

- (a) no action may be maintained for a period exceeding three years or, except with the consent of the Party against whose good the action is taken, have effect beyond the expiration of the transition period;
- (b) no action may be taken by a Party against any particular good originating in the territory of the other Party more than once during the transition period; and
- (c) on termination of the action, the rate of duty shall be the rate that, according to the Schedule for the staged elimination of the tariff, would have been in effect one year after the initiation of the action, and beginning January 1 of the year following the termination of the action, at the option of the Party that has taken the action:
 - (i) the rate of duty shall conform to the applicable rate set out in that Party's Schedule to Annex III.3.1 (Tariff Elimination); or
 - (ii) the tariff shall be eliminated in equal annual stages ending on the date set out in that Party's Schedule to Annex III.3.1 (Tariff Elimination) for the elimination of the tariff.

5. The Party taking an action under this section shall provide to the other Party mutually agreed trade liberalizing compensation in the form of concessions having substantially equivalent trade effects or equivalent to the value of the additional duties expected to result from the action. Such concessions shall be limited to the textile and apparel goods set out in Appendix III.1.1.1, unless the Parties otherwise agree. If the Parties are unable to agree on compensation, the exporting Party may take tariff action having trade effects substantially equivalent to the action taken under this Section against any goods imported from the other Party. The Party taking the tariff action shall only apply the action for the minimum period necessary to achieve the substantially equivalent effects.

Section 5: Bilateral Emergency Actions (Quantitative Restrictions)

1. A Party may take bilateral emergency action against non-originating textile or apparel goods that have not been integrated into the WTO and which enter into the territory of the other Party under a tariff preference level (TPL) in accordance with this section and Appendix III.1.5.1.

2. If a Party demonstrates that a non-originating textile or apparel good entered under a tariff preference level set out in Appendix III.1.6.1 is being imported into its territory from the other Party in such increased quantities, in absolute terms or relative to the domestic market for that good, under such conditions as to cause serious damage, or actual threat thereof, to a domestic industry producing a like or directly competitive good in the importing Party, the importing Party may request consultations with the other Party with a view to eliminating the serious damage or actual threat thereof.

3. The Party requesting consultations shall include in its request for consultations the reasons that it considers demonstrate that such serious damage or actual threat thereof to its domestic industry is resulting from the imports of the other Party, including the latest data concerning such damage or threat thereof.

4. In determining serious damage, or actual threat thereof, the Party shall apply Section 4(2).

5. The Parties shall begin consultations within 60 days of the request for consultations and shall endeavour to agree on a mutually satisfactory level of restraint on exports of the particular good within 90 days of the request, unless the Parties agree to extend this period. The request for consultations shall be accompanied by specific and relevant factual information, as up to date as possible, particularly in regard to the factors stated in paragraphs 2, 3 and 4 of this section. The information shall be related, as closely as possible, to identifiable segments of production and to the reference period set out in paragraph 7. The Party taking the action shall also indicate the specific level at which imports of the product in question are proposed to be restrained; such level shall not be lower than the level referred to in paragraph 7. In reaching a mutually satisfactory level of export restraint, the Parties shall:

- (a) consider the situation in the market in the importing Party;
- (b) consider the history of trade in textile and apparel goods between the Parties, including previous levels of trade; and
- (c) seek to ensure that the textile and apparel goods imported from the territory of the exporting Party are accorded equitable treatment as compared with treatment accorded like textile and apparel goods from non-Party suppliers.³

6. If the Parties do not agree on a mutually satisfactory level of export restraint, the Party requesting consultations may impose annual quantitative restrictions on imports of the good from the territory of the other Party, subject to paragraphs 7 through 13.

7. Any quantitative restriction imposed under paragraph 6 shall be no less than the sum of:

(a) the quantity of the good imported into the territory of the Party requesting consultations from the other Party, as reported in general import statistics of the importing Party, during the first 12 of the most recent 14 months preceding the month in which the request for consultations was made; and

(b) 20 per cent of such quantity.

8. The period of any quantitative restriction imposed under paragraph 6 for the first year shall begin on the day after the date on which the request for consultations was made and terminate at the end of the calendar year in which the quantitative restriction is imposed. Any quantitative restriction that is imposed for a period of less than 12 months shall be prorated to correspond to the time remaining in the calendar year in which the restriction is imposed, and the prorated amount may be adjusted in accordance with the flexibility provisions set out in Appendix III.1.5.1.

9. For each successive calendar year that the quantitative restriction imposed under paragraph 6 remains in effect, the Party imposing it shall:

(a) increase it by six per cent; and

(b) accelerate the growth rate for quantitative restrictions on cotton, man-made fibre and non-cotton vegetable fibre textile and apparel goods as required by the WTO Agreement on Textiles and Clothing;

and the flexibility provisions set out in Appendix III.1.5.1 apply.

10. A quantitative restriction imposed under paragraph 6 before July 1 in any calendar year may remain in effect for the remainder of that year, plus two additional calendar years. Such a restriction imposed on or after July 1 in any calendar year may remain in effect for the remainder of that year, plus three additional calendar years. No such restriction may remain in effect beyond the transition period or one year following the full integration into the WTO.

11. Neither Party may take an emergency action under this section with respect to any particular textile or apparel non-originating good against which a quantitative restriction is in effect.

12. Neither Party may adopt or maintain a quantitative restriction under this section on a particular textile or apparel good that otherwise would be permitted under this Annex, if that Party is required to eliminate such measure under the WTO Agreement on Textiles and Clothing.

13. Neither Party may take a bilateral emergency action after the expiration of the transition period with respect to cases of serious damage, or actual threat thereof, to domestic industry arising from the operation of this Agreement.

Section 6: Special Provisions

Appendix III.1.6.1 sets out special provisions applicable to certain textile and apparel goods.

Section 7: Definitions

For purposes of this Annex:

average yarn number, as applied to woven fabrics of cotton or man-made fibres, means the average yarn number of the yarns contained therein. In computing the average yarn number, the length of the yarn is considered to be equal to the distance covered by it in the fabric, with all clipped yarn being measured as if continuous and with the count being taken of the total single yarns in the fabric including the single yarns in any multiple (folded) or cabled yarns. The weight shall be taken after any excessive sizing is removed by boiling or other suitable process. Any of the following formulas can be used to determine the average yarn number:

$$N = \frac{BYT}{1,000}, \frac{100T}{Z'}, \frac{BT}{Z} \text{ or } \frac{ST}{10}$$

when:

N is the average yarn number,
B is the breadth (width) of the fabric in centimetres,
Y is the metres (linear) of the fabric per kilogram,
T is the total single yarns per square centimetre,
S is the square metres of fabric per kilogram,
Z is the grams per linear metre of fabric, and
Z' is the grams per square metre of fabric.

Fractions in the resulting "average yarn number" shall be disregarded;

exporting Party means the Party from whose territory a textile or apparel good is exported;

flexibility provisions means the provisions set out in Appendix III.1.5.1;

importing Party means the Party into whose territory a textile or apparel good is imported;

integrated into the WTO means subject to the obligations of the WTO Agreement;

product category means a grouping of textile or apparel goods defined in the *Correlation: Textile and Apparel Categories with the Harmonized Tariff Schedule of the United States, 1995* (or successor publication), published by the United States Department of Commerce, International Trade Administration, Office of Textiles and Apparel, Trade and Data Division, Washington, D.C.;

specific limit means a level of exports for a particular textile or apparel good that may be adjusted in accordance with Appendix III.1.5.1;

square metres equivalent (SME) means that unit of measurement that results from the application of the conversion factors set out in Appendix III.1.6.2 to a primary unit of measure such as unit, dozen or kilogram;

tariff preference level (TPL) means a mechanism that provides for the application customs duty at a preferential rate to imports of a particular good up to a specified quantity, and at a different rate to imports of that good that exceed that quantity; transition period means the seven-year period beginning on the date of entry into force of this Agreement;

wool fabric means:

- (a) fabric in chief weight of wool;
- (b) woven fabric in chief weight of man-made fibres containing 36 per cent or more by weight of wool; and
- (c) knitted or crocheted fabric in chief weight of man-made fibres containing 23 per cent or more by weight of wool; and

WTO Agreement on Textiles and Clothing means the Agreement on Textiles and Clothing which is part of the WTO Agreement.

Flexibility Provisions

Adjustments to annual specific limits (SLs), may be made as follows:

(a) the exporting Party may increase the SL for a calendar year by no more than six per cent ("swing").

(b) in addition to any increase of its SL under subparagraph (a), the exporting Party may increase its unadjusted SL for that year by no more than 11 per cent by allocating to such SL for that calendar year (the "receiving year") an unused portion ("shortfall") of the corresponding SL for the previous calendar year ("carryover") or a portion of the corresponding SL for the following calendar year ("carryforward"), as follows:

(i) subject to subparagraph (iii), the exporting Party may utilize carryover, as available, up to 11 per cent of the unadjusted SL for the receiving year;

(ii) the exporting Party may utilize carryforward charged against the corresponding SL for the following calendar year, up to six per cent of the unadjusted SL for the receiving year;

(iii) the combination of the exporting Party's carryover and carryforward shall not exceed 11 per cent of the unadjusted SL in the receiving year; and

(iv) carryover may be utilized only following confirmation by the importing Party that sufficient shortfall exists. If the importing Party does not consider that sufficient shortfall exists, it shall promptly provide data to the exporting Party to support that view. Where substantial statistical differences exist between the import and export data on which the shortfall is computed, the Parties shall seek to resolve these differences promptly.

The Parties shall consult with a view to adjusting such level. Any adjustment in the TPL requires the mutual consent of the Parties.

(b) The Parties shall review the rules of origin applicable to textiles and apparel goods, within four years of the date of entry into force of this Agreement to take into account the effect of increasing global competition on textile and apparel goods and the implications of any integration of these goods into the WTO. Chapter III : Footnotes

[1] "Goods of a Party" includes goods produced in the province of that Party.

[2] For the purpose of Article III.3, a good may refer to an originating good or a good which benefits from tariff elimination under a TPL.

[3] This paragraph is not intended to prevent either Party from modifying its tariffs outside this Agreement on goods for which no tariff preference is claimed under this Agreement. This paragraph does not prevent either Party from raising a tariff back to an agreed level in accordance with the phase-out schedule in this Agreement following a unilateral reduction.

[4] Paragraphs 1 and 2 of this Article are not intended to prevent either Party from maintaining or increasing a customs duty as may be authorized by any dispute settlement provision of the WTO Agreement or any agreement under the WTO Agreement.

[5] Where another form of monetary security is used, it shall not be more burdensome than the bonding requirement referred to in this subparagraph. Where a Party uses a non-monetary form of security, it shall not be more burdensome than existing forms of security used by that Party.

[6] This paragraph does not cover goods imported in bond, into foreign trade zones, or in similar status, that are exported for repair and are not re-imported in bond, into foreign trade zones, or in similar status.

[7] An operation or process that is part of the production or assembly of an unfinished good into a finished good is not a repair or alteration of the unfinished good; a component of a good is a good that may be subject to repair or alteration.

Annex III.1: Footnotes

[1] The general provisions of Chapter II (General Definitions), Chapter III (National Treatment and Market Access of Goods), Chapter IV (Rules of Origin) and Chapter VI (Emergency Action) are subject to the specific rules for textiles and apparel goods set out in this Annex.

[2] For purposes of Sections 4 and 5:

(a) "increased quantities" is intended to be interpreted more broadly than the standard provided in Article VI.2.1 (Bilateral Actions), which considers imports "in absolute terms" only. For purposes of these sections, "increased quantities" is intended to be interpreted in the same manner as this standard is interpreted in the WTO Agreement on Textiles and Clothing; and

(b) "serious damage" is intended as a less stringent standard than "serious injury" under Article VI.2.1 (Bilateral Actions). The "serious damage" standard is drawn from the WTO Agreement on Textiles and Clothing. The factors to be considered in determining whether the standard has been met are set out in Section 4.2 and are also drawn from that Agreement. "Serious damage" is to be interpreted in the light of its meaning in that Agreement.[]

3] In paragraph 5(c), the term "equitable treatment" is intended to have the same meaning as it has in customary practice under the WTO Agreement on Textiles and Clothing.
